## **CELFINET WINS THE SME EXCELLENCE AWARD BY IAPMEI AND TURISMO DE PORTUGAL**

In partnership with Turismo de Portugal and major national banks, the IAPMEI initiative distinguishes companies who mark the competitive landscape of the country.

Every year, with this statute, IAPMEI recognizes companies with the best performance and management indicators which have significant influence in the Portuguese market.

CELFINET is honored with the title of SME Excellence and was invited to attend the public ceremony held on April 17 at the Altice Fórum Braga. The event was arranged by IAPMEI with the purpose of honoring the winning SMEs and their recognized importance in the economy.

The ceremony counted with the presence of the Prime Minister, António Costa and the Deputy Minister and Economy, Pedro Siza Vieira.

Nuno Ribeiro, CEO & Founder of CELFINET states: *"It's a great honor to hold two influential titles such as SME Leader and SME Excellence. Our team's dedication and eager for knowledge made everything possible, and we are indeed thankful to IAPMEI for this recognition."*
